

Smart Snack Approved

Allergens have always been a priority for our company as we strive to produce products that everyone can enjoy. The Hershey Creamery Company understands the importance of providing safe alternatives to individuals with food allergies. Our goal is to make the best products available and we pride ourselves on our

variety and quality. The following list contains allergen information for products that may be distributed through school systems. This list is ever changing as we develop new flavors/products. It is imperative that individuals with allergen concerns read our product labels for the most current allergen information.
